Bank wire transfert including the European Transfers (transborder) - the EEC				
TOTAL AMOUNT ORDERS				1 133,00 €
In the case of credit transfer coming from the countries out of the monetary area Euro (mode of payment generally used), the currency to be used is the Euro. You do not have anything to add as additional amount except for the expenses of banking transaction (generally fixed overhead whatever the amount of the transaction standing) who are directly taken by your bank (very weak cost). The order of transfer can be given simply by telephone near your bank, email, fax, etc, on profit account.
